

All About Germinate

The online professional
development conference
for Ag Teachers

WHO?

Germinate is a virtual professional development conference happening **JULY 1-3, 2024**. This event has connected over 3,500 Ag teachers since its beginning in 2019. This July you can expect new sessions from speakers from across the country who are excited to share their knowledge, tips, tricks and secrets of success in classroom management, SAE and FFA management.

WHAT?

- 20+ Prerecorded Sessions in FFA, SAE & Classroom Instruction categories
- 1 Keynote Speaker, 1 Happy Hour, 3 Watch parties, 1 Panel Discussion
- Supplemental takeaways and resources for each session
- Portal login to revisit the content forever

WHEN?

This summer's conference will be held July 1-3, 2024. Agriculture teachers can participate in live sessions, breakout rooms, and watch pre-recorded sessions all from the comfort of their own home, without missing any school time.

WHY?

Teachers who have attended GERMINATE have noted a positive attitude and a renewed sense of purpose. Teachers walk away feeling confident, fulfilled and balanced after their experience with the nurturing community.

HOW?

You can invest in your agriculture teacher by covering their registration fee. Register on our website by paying with card or requesting an invoice form (greenandgrowingedu@gmail.com).

Early Bird pricing is \$149 from March 1-May 15. Regular registration is \$199. Registration provides 8 hours of pre-recorded professional development, plus up to 7 hours of PD through Live Events. Certificate available upon completion.
